

Agenda ISB Panther Gymnastics committee meeting

Date: 06.11.2014

Present: Angela, Farung, Candi, Charlotte, Lydia, Sibyl

Committee report since last meeting

- Parent/club relations (Charlotte)
The club, school and CAO has dealt with an incident of bullying and issued warnings to the children involved.
- Status on Fobisia and SACAC (Sibyl, Sherry, Charlotte)
Fobisia: Rooster has been sent, payment is awaiting transfer information, Sibyl is finalizing the transportation. Farung and Sherry will cover club presence on Saturday 15th and Charlotte will cover on Sunday 16th. Andy will give pre-meet pep talk during next week.
SACAC: Rooster and payments have been sent, club photo and logo sent, parents are arranging tickets and hotel room, Sherry is waiting for final amount on club flight to arrange transport to/from hotel. The club will suggest dinner on Friday Dec 5th at Italian restaurant and Andy will give a pre-meet pep talk. The club will recommend a night safari on Saturday evening, voluntary. Waiting for final numbers to organize transportation, activities are paid privately.

Coaches report since last meeting (Farung, Andy)

The coaches' situation is OK at the moment, they focus on work. They feel that the hours are long - we will make sure they know how much they will be paid to ensure that is not the issue. Also, we will make sure that they rotate in the beginning of each session to allow for a snack break during the warm up where not all coaches are needed at one time. We will check if a fridge is a solution so they can keep snacks nearby and make sure it will be ok in terms of usage of electricity.

Finances (Farung)

- Status on finances
Balance sheet will be posted on website and CAO. Farung recommends careful consideration of expenses due to increase in entry fees at external meets, which have been covered by the club so far. We may consider having parents cover all or half of the entry fees. Entry fee for ISB Black and Gold last year was 300 THB so our 2015 meet may have a higher entry fee to cover own expenses.

Discussions and Decisions to be made:

- Schedule and pricing for term 2 (Charlotte, Farung)
Final input from coaches may involve slight changes, but otherwise the schedule will be the same as this term. Pricing will be the same (230 thb/hr.) and re-assessed in June after 1 year at this level.
- MS Olympics
is progressing, theme is Canadian Ranger, perhaps a little too much dance but Angela will reassess next week with coach Mew. Hats are bought; red t-shirts will be purchased by the club.
- Team building activities (Charlotte)
On the agenda for next meeting to discuss the goal and how to achieve the goal. For now, we will increase pre-meet pep talks and give out a club t-shirt for all gymnasts at the end of term together with the level report card that coach Tao is working on. Charlotte will put up photos from last meet

on the poster board in front of CAO and along the pool wall. Charlotte will request permission for gymnasts to wear club t-shirt on the day before a meet.

- Christmas party (Charlotte)

There is not time to arrange a good party, given the restraints on the gym and activities. We will give a club t-shirt to all gymnasts along with their level report card during the last week of school in December. Instead, we will arrange an ice cream party outside the gym on the day before ISB Black and Gold meet.

- Winter camp

Candi will organize, Angela, Charlotte and Farung will be here during the week of the camp to help out. We will aim for January 5-9, 2015 (pending permission from ISB, Charlotte), 3 hours from 9-12 AM, the price will be 230 per hour rounded off to a round number, options are M;W;F or T,T or M,T,W,T,F. Only ISB families are allowed. Candi will send email to Charlotte to send to families, and check in Thriva, ISB eNews announcement and payment due by December 17th.
