BOARD OF TRUSTEES NOMINATION FORM

CANDIDATE'S STATEMENT

Please include your responses to the following questions. *Why do you want to be a Board member? What skills and attitude would you bring to the Board? What is your vision of the Board of Trustees' role in the governance of ISB? How do you see ISB 10 years from now?*

Please include any other relevant information.

I have 5 children currently attending ISB. I am an active member of the community and a long term resident of Thailand and do not anticipate any relocation in the near future. I have a vested interest in the school being held to a high standard and also believe the Board would be well served by having continuity to a certain degree at the trustee level.

Once again, I believe my commercial and legal background, along with my diverse business experience as both a lawyer and entrepreneur, will strengthen the Board. I also believe my background will provide the Board with another set of unique business perspective.
