

## Music Share May 31 – June 8, 2012

Dear ES community,

At the end of our school year the ES Music Department will be hosting a “Music Share,” a time for students to bring in music, drama, or dance performances to share with an audience of parents and their peers. Students are invited to perform a 2-3 minute piece that they have *prepared outside of music* to share with their class.

Students are expected to practice and provide their own materials for their performance (sheet music, backing cd, instruments, etc). The Music Department will provide a stage, microphones, piano, drum set and guitar amps.

The Music Share is optional and students who choose not to perform will serve as audience members. This is a great informal opportunity however for students to gain experiences preparing for a performance and acting as a performer in front of a live audience.

Sing a song. Play the piano. Dance a tap dance. Read a poem. Do a magic trick. Tell a joke.

Parents and teachers are welcome to join us for this event, which will be held *in the music room 4-115*. The schedule of this year’s Music Share is included below. Please fill out the included form and return to the music room no later than May 18<sup>th</sup>.
