

TRIPLE P – POSITIVE PARENTING PROGRAM

Dear Parents,

The Triple –P (Positive Parenting Program) provides ideas and opportunities to develop parenting skills. The program is suitable for all parents wanting to learn more about how to encourage their child’s development, improve their relationship with their child and learn ways to manage everyday concerns.

I am intending to start this program In April for parents of children in Prek – Gr 2. The program will run for 5 weeks of face-to-face sessions of approximately one and half hours each week.

I am hoping there will be enough interested parents to proceed with the program. Unfortunately I cannot offer childcare so you would need to organize care for any little ones. It is important that everyone be able to concentrate and participate fully in the program without distractions.

There are limited places available, the group will only consist of 10-12 parents so please let me know as soon as possible if you would like to attend.

(Dates – April 2nd, 9^h, 30th, May 7th and 14th. Time 12.30- 2.00pm)

Parents will need to commit to attending all five sessions to gain the benefits from the program. Each session builds on the skills presented in earlier sessions. There will be a cost of approx. 1,000baht to cover a parent workbook, which you will be able to keep and use as a reference.

If you are interested in attending this program, please return the slip below to Khun Kunlawan at the counseling office (in the elementary office) as soon as possible. Parents will be notified by me if they have a place in the program.

I hope to see you there,

Carmel Kean, ES School Counselor, ISB

I would like to attend the parenting program offered by the school counselor. I am able to attend all five sessions. (please return to counseling office)
