Please include your responses to the following questions. *Why do you want to be a Board member? What skills and attitude would you bring to the Board? What is your vision of the Board of Trustees' role in the governance of ISB? How do you see ISB 10 years from now?*

Please include any other relevant information.

Why do you want to be a Board member?

I firmly believe that serving on board in general is an important responsibility for any citizens who have passions and commitments for their community. This is particularly essential in international schools where education of the world's future are shaped.

What skills and attitude would you bring to the Board?

I lived in five countries and three international schools serving on numerous boards at every community we have resided. I can bring to this board and the community the serving attitude and diverse perspectives as a stay-home mother and a female diplomat.

What is your vision of the Board of Trustees' (BOT) role in the governance of ISB?

My vision for the BOT's role in governing ISB is to formulate strategic visions and to enhance tangible plans and performance indicators with focus on academic excellence and responsible citizenship.

How do you see ISB 10 years from now?

I hope to see ISB will continue to serve the Bangkok community in leading the education trends and standards in this part of the world in ten years.
