To: The Nichada Thani Community  
Subject: Traffic Safety

As many new families have just joined our community and our International Schools are opening for the new school year, it is a good time of year for residents and visitors to discuss traffic safety within Nichada Thani with family members and household staff. We have put together some important traffic safety information below.

- The speed limit in Nichada Thani is 30kph, which is to never be exceeded.
- The bike lanes are for bicycle riders and are never to be used by motor vehicles. If walking or running in the bicycle lane, please remain alert for bicycles and make room for riders to pass.
- Drivers of any motor vehicle, including golf carts, must be licensed.
- The minimum age for those operating a golf cart within Nichada Thani is 15 years of age. At minimum, the operator of the golf cart must have a valid, Thai motorbike license.
- Vehicles must travel round the roundabout in a clockwise direction, travelling left from the junction.
- Vehicles entering a roundabout must yield to vehicles already in the roundabout before entering.
- Those operating a motorbike as well as motorbike passengers must wear an appropriate helmet and the helmet straps must be fastened.
- Motorbikes may only carry one passenger in addition to the driver.
- Parking on the main roads is prohibited unless directed to do so by Nichada Thani.
- Overcrowding of vehicles is prohibited.
- Drivers are not to allow anyone to hold on their vehicle for a ride, such as those on rollerblades, skateboards or bicycles.

If you have any questions concerning traffic safety in Nichada Thani, please contact the Nichada Thani Security Manager at [security@nichada.com](mailto:security@nichada.com) or 02-960-4344. For residents of Nichada Thani owned or managed communities, a copy of the "Nichada Thani Resident and Homeowner Guide is available through the Nichada Thani Customer Relations Office . If living in a privately managed community, the guide is available through the community liaison.
