
High School Principal's Forum

October 2016

Is this your First time at Principal Forum?

What happens here?

Community concerns get the public consideration they deserve.

We promote open dialogue - even when it is not easy!

1. Flipped Instruction

"This isn't what I imagined when they said 'flipped classroom'!"

1. Flipped Instruction

The **flipped** classroom shifts **instruction or knowledge acquisition** to a learner-centered model in which class time explores topics in greater depth and creates additional learning opportunities / individualized teacher to student interactions while content is delivered outside of the classroom e.g. videos, screencasts or reading - differentiated

Instruction and practice/meaning making are Flipped

Traditional Classroom

+

- Instructor prepares material to be delivered in class.
- Students listen to lectures and other guided instruction in class and take notes.
- Homework is assigned to demonstrate understanding.

Flipped Classroom

- Instructor records and shares lectures outside of class.
- Students watch / listen to lectures before coming to class.
- Class time is devoted to applied learning activities and more higher-order thinking tasks.
- Students receive support from instructor and peers as needed

1 Flipped Instruction

Mar 2016 90% of HS teachers said they use FI
In **Science** e.g. HL Chem, **Languages** e.g. Mandarin
Japanese, English, **Social Studies** e.g. Psychology
Geography, **Math** - various, **Arts** - Film from Pamoja,
Photo

Individual pacing and opportunity

All about balance - no one instructional style should
dominate - a reminder to teachers

Increasingly common in universities

1. Online learning strategies used at ISB

Document sharing & Resources

- Hyperlinks
- Attachments
- Libraries

Communication

- Google-Docs
- Blogs
- Voicethread
- Skype

Instruction

- Guided reading
- Screencasts
- Youtubes

Assessment

- Turnitin - security
- Online quizzes
- Drop boxes
- Grade books

100% Online in house and imported

2/3 Instructional supervision

Ensuring our teachers are the best they can be and that our students reach their full potential.

2/3 Instructional supervision

IB Learner Profile

2/3 Instructional supervision

At ISB we use two lenses to examine teacher performance

Learning-focused Standards

Domain 2 - Professional Standards

2/3 Instructional supervision

Unannounced walk throughs
1+5 visits
Documented lesson observations
Formal observations (unannounced)
Targeted observations
PPP goal setting 2 year cycle
Online anonymous student
feedback to teachers - shared with
admin

Admin requested survey data

2/3 Instructional supervision

Contract cycle

Level 1 & 2

Recruitment

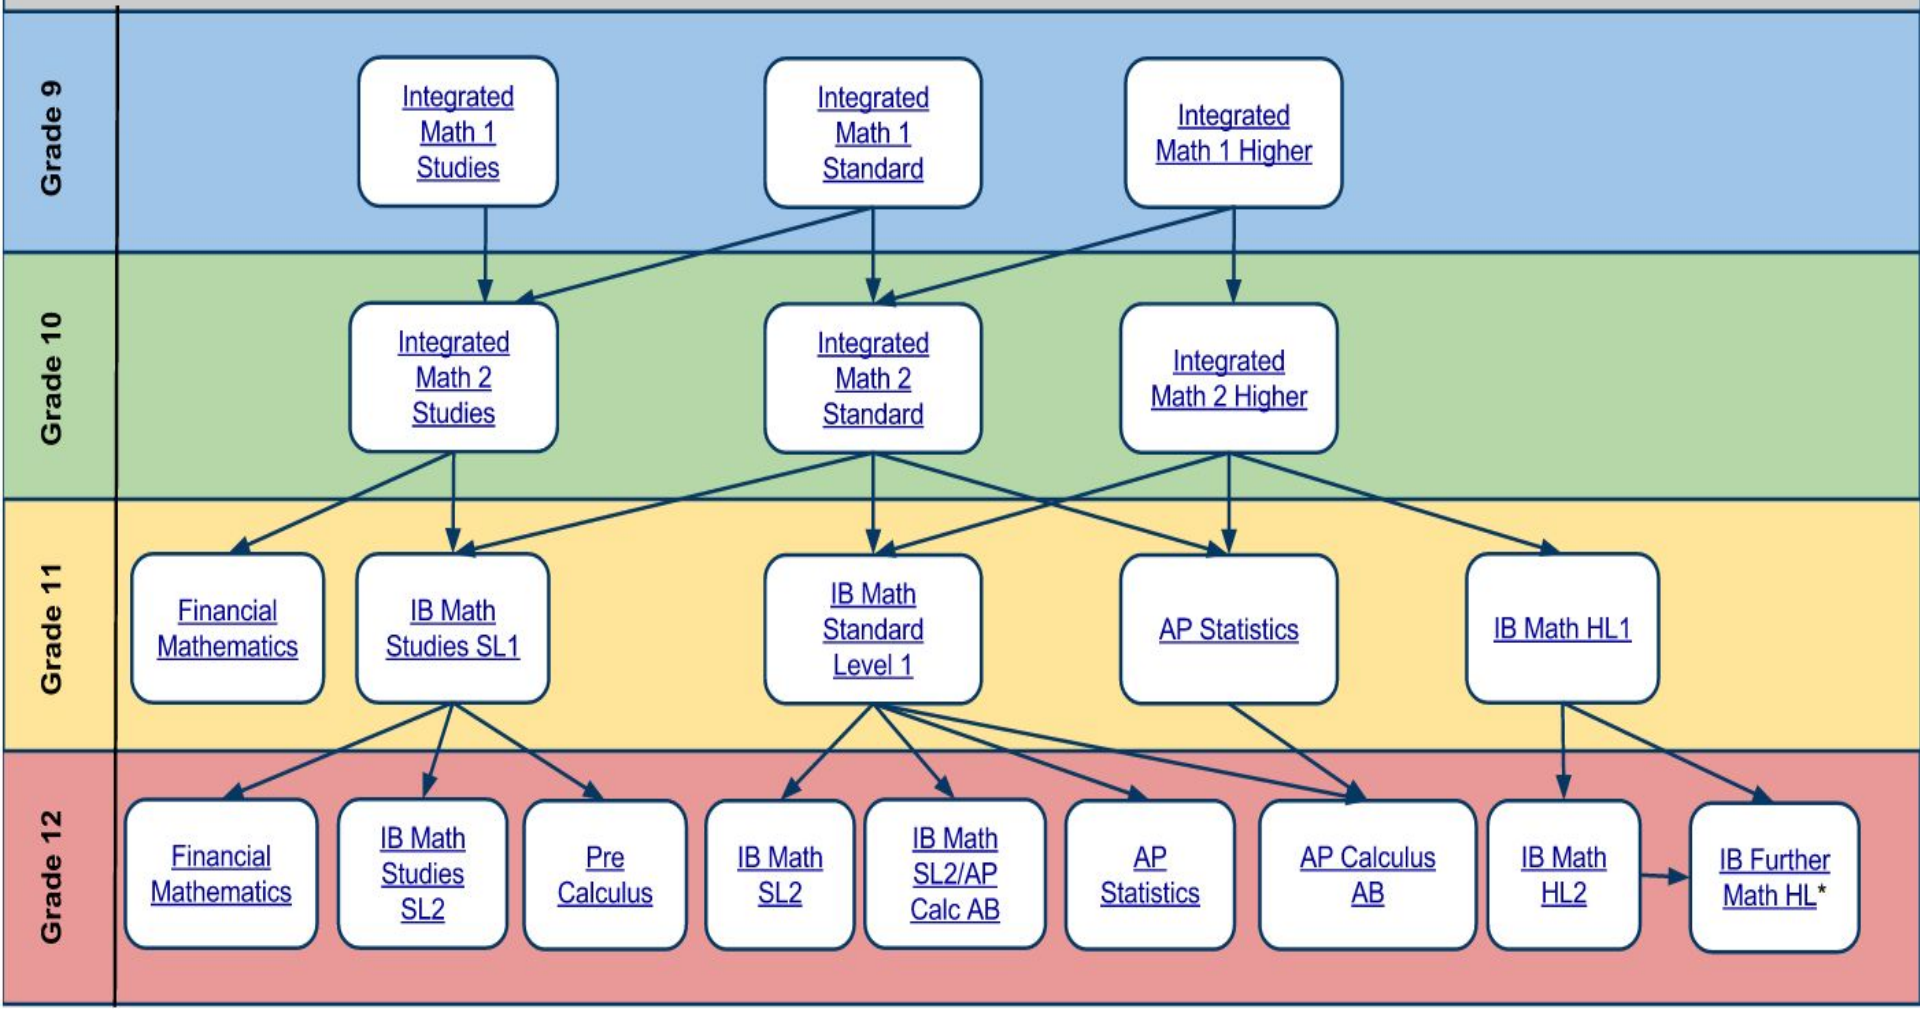

4 Exam procedures

- Exam policies are on page 49-50 of student handbook
- ISB follows IB exam procedures, with
 - Random seating
 - Proctoring duties/behaviors
 - Training for students and proctors

5- HL Math in 9th Grade

Parent heard that the HL math class in 9th grade was split into 2 sub levels, HL1 and HL2. What are the reasons and ramifications?

Mathematics Courses

6 -GCW Objectives:

- understand that humans have intrinsic worth regardless of differences
- be curious about and sensitive to human diversity, including the cultures of the host country
- work and communicate effectively and sensitively with people from diverse backgrounds, lifestyles, and cultures.
- understand that people, places, economies and environments are all inextricably interrelated and that choices and events can have an impact on a global scale.
- be aware of how their choices and decisions affect people and the environment

GCW Objectives

- appreciate and care about the environment and be committed to sustainable practices.
- take action to preserve and protect the environment.
- understand that social injustice is rooted in personal and cultural prejudice as well as socio-economic disparity.
- have concern for social injustice and inequality and affirm the rights and dignity of all people.
- take action to address social injustice

Measuring Success

The ISB community, parents and faculty, want to know about the quality of our students' learning, especially against challenging international standards. Over the past few years, the school leadership and Board have put into place a number of key performance indicators to ensure that we continue to provide outstanding educational opportunities for all our students. Below you will find links to these indicators that will inform you

9 IB Predicted Scores

Predicted Grades vs Actual Grades Trend 2012-16

- ISB collects three sets of Predicted Grades from October - March of Senior year
- Discussed, analyzed and compared to actual grades
- Over the last five years ISB does well
- 66% of Predicted Grades in 2016 within 1 point of actual grade

Laptops -too heavy
