Climate Fresk Workshop

We held our **1st Climate Fresk** workshop with IPN members in Nichada on Feb 8th, with an active, engaged participation. Feedback was excellent.

Climate Fresk is an international NGO on a mission to **raise awareness about climate change**. Based on IPCC's work (Intergovernmental Panel on climate Change), the workshops are organized around **42 cards**, making them a fun and collaborative way to learn the basic science behind Climate Change.

If you have interest to participate in future workshop, pls contact us.

IPN Entrepreneur group was launched on Feb 9th.

- Do you want to grow your business or your non-profit organization?
- Are you planning to launch your product or service?
- Would you like to increase your reach of customers, your social media presence?

The objectives of this group are to support each other for **creating your own business, leverage resources**, sharing stories, experience and knowledge, **support each other** emotionally.

If you would like to join this group, pls let us know.

We are excited to share that IPN now consists of **over 60 members** representing more than 15 nationalities. Over the past few months, we have organized workshops, visited one of our partner's premises, and developed partnerships with 5 international entities.

Our members have **diverse skillsets and experiences** in various fields including education, actuarial, marketing, food and wellness, finance, supply chain, life and executive coaching, architecture, and many more. Since IPN's inception in September 2022, a few of our members have already found **work opportunities** through **networking** within IPN.

We have now launched an entrepreneur group and will soon start a wellness group. We encourage our members to create and lead groups with other members who share similar interests.

IPN believes in being an **open, safe, empowering, and inclusive** community. Our members are supportive of one another and are always eager to help, which is what makes IPN a unique and effective network.

Mark your calendar for our next event, on **Monday 27th of Feb, MPB2 10 AM - 12PM**.

This workshop will be facilitated by an amazing external speaker will support IPN members to **learn and grow** towards their professional goals in line with IPN mission

More details will come soon.
